2. to elect directors of the Corporation for the ensuing year;
3. to appoint the auditor of the Corporation for the ensuing year and to authorize the directors of the Corporation to fix the remuneration of the auditor;
4. to consider and, if deemed advisable, to pass, with or without variation, a resolution of shareholders of the Corporation, in accordance with the requirements of the TSX Venture Exchange, confirming and approving the long-term incentive plan of the Corporation; and
5. to transact such other business as may properly be brought before the Meeting or any adjournment thereof.

Particulars of the foregoing matters are set forth in the accompanying management information circular (the "**Circular**"). The Corporation has elected to use the notice-and-access provisions under National Instrument 51-102 – *Continuous Disclosure Obligations* and National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (the "**Notice-and-Access Provisions**") of the Canadian Securities Administrators for this Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to shareholders of the Corporation by allowing the Corporation to post the Circular and any additional materials online. Shareholders will still receive this Notice of Meeting and a form of proxy and may choose to receive a hard copy of the Circular. The Corporation will not use procedures known as 'stratification' in relation to the use of the Notice-and-Access Provisions.

Please review the Circular carefully and in full prior to voting in relation to the matters set out above as the Circular has been prepared to help you make an informed decision on such matters. The Circular is available on the website of the Corporation at www.1911gold.com/investors/agm-materials/ and under the Corporation's profile on SEDAR+ at www.sedarplus.ca. Any shareholder of the Corporation who wishes to receive a paper copy of the Circular should contact the Corporation's transfer agent, Odyssey Trust Company, at <https://odysseytrust.com/ca-en/help/> or by phone at 1-888-290-1175 (toll-free within North America) or 1-587-885-0960 (direct from outside North America). Requests for paper copies must be received by June 4, 2026 in order to receive the paper copy in advance of the Meeting. A shareholder may also use the toll-free number noted above to obtain additional information about the Notice-and-Access Provisions.

The directors of the Corporation have fixed the close of business on May 4, 2026 as the record date (the "**Record Date**") for the determination of shareholders entitled to receive notice of, and to vote at, the Meeting. Only shareholders whose names have been entered in the register of shareholders as of the close of business on the Record Date will be entitled to receive notice of, and to vote at, the Meeting.

Shareholders are entitled to vote at the Meeting either in person or by proxy, as described in the Circular under the heading "*General Proxy Information*". Only registered shareholders of the Corporation, or the persons they appoint as their proxies, are entitled to attend and vote at the Meeting. For information with respect to shareholders who own their Common Shares through an intermediary, see "*General Proxy Information – Non-Registered Shareholders*" in the Circular.

Whether or not you decide to attend the Meeting in person, you are encouraged to provide voting instructions on the enclosed form of proxy in the manner set out in the Circular as soon as possible. To be included at the Meeting, your completed and executed form of proxy must be received by Odyssey Trust Company, at 1100-67 Yonge Street, Toronto, Ontario, M5E 1J8, no later than 10:00 a.m. (Eastern time) on Tuesday, June 16, 2026 (or no later than 48 hours (excluding Saturdays, Sundays and holidays) prior to any reconvened Meeting in the event of an adjournment of the Meeting) or deposited with the Chairman of the Meeting prior to the commencement of the Meeting or any adjournment thereof. Voting instructions may also be provided by internet by following the instructions on the form of proxy.

MANAGEMENT INFORMATION CIRCULAR

May 4, 2026

GENERAL PROXY INFORMATION

Solicitation of Proxies

This management information circular (the "**Circular**") is furnished in connection with the solicitation of proxies by the management of 1911 Gold Corporation (the "**Corporation**") for use at the annual general and special meeting (the "**Meeting**") of the shareholders of the Corporation to be held at the offices of Bennett Jones LLP, Suite 3400, One First Canadian Place, 100 King Street West, Toronto, Ontario, M5X 1A4, at 10:00 a.m. (Eastern time) on Thursday, June 18, 2026 and at all adjournments thereof for the purposes set forth in the accompanying notice of meeting (the "**Notice of Meeting**"). The solicitation of proxies will be made primarily by mail, subject to the use of the Notice-and-Access Provisions (as defined herein) in relation to the delivery of the Circular, and may be supplemented by telephone or other personal contact by the directors, officers and employees of the Corporation. Directors, officers and employees of the Corporation will not receive any extra compensation for such activities. The Corporation may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Corporation in favour of the matters set forth in the Notice of Meeting. The Corporation may pay brokers or other persons holding common shares of the Corporation ("**Common Shares**") in their own names, or in the names of nominees, for their reasonable expenses for sending forms of proxy and this Circular to beneficial owners of Common Shares and obtaining proxies therefrom. The cost of any such solicitation will be borne by the Corporation.

No person is authorized to give any information or to make any representation other than those contained in this Circular and, if given or made, such information or representation should not be relied upon as having been authorized by the Corporation. The delivery of this Circular shall not, under any circumstances, create an implication that there has not been any change in the information set forth herein since the date hereof.

Appointment of Proxies

A registered shareholder of the Corporation may vote in person at the Meeting or may appoint another person to represent such shareholder as proxy and to vote the Common Shares of such shareholder at the Meeting. In order to appoint another person as proxy, such shareholder must complete, execute and deliver the form of proxy accompanying this Circular, or another proper form of proxy, in the manner specified in the Notice of Meeting.

The persons named in the form of proxy accompanying this Circular are officers and/or directors of the Corporation. A shareholder of the Corporation has the right to appoint a person or company (who need not be a shareholder of the Corporation), other than the persons designated in the form of proxy, to represent such shareholder at the Meeting and at any adjournment thereof. Such right may be exercised by either striking out the names of the persons designated in the form of proxy and inserting the name of the person to be appointed in the blank space provided in the form of proxy, or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to Odyssey Trust Company, at 1100-67 Yonge Street, Toronto, Ontario, M5E 1J8, no later than 10:00 a.m. (Eastern time) on Tuesday, June 16, 2026 (or no later than 48 hours (excluding Saturdays, Sundays and holidays) prior to any reconvened Meeting in the event of an adjournment of the Meeting) or depositing the completed and executed form of proxy

with the Chairman of the Meeting prior to the commencement of the Meeting or any adjournment thereof. Voting instructions may also be provided by internet by following the instructions on the form of proxy.

Revocation of Proxies

A registered shareholder of the Corporation who has given a proxy may revoke the proxy at any time prior to use by: (a) depositing an instrument in writing, including another completed form of proxy, executed by such registered shareholder or by his or her attorney who is authorized by a document that is executed in writing or, if the registered shareholder is a corporation, by an authorized director, officer or attorney thereof to (i) the registered office of the Corporation, located at 666 Burrard Street, Suite 2500, Vancouver, British Columbia, V6C 2X8, at any time prior to 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used, or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof before the taking of any vote in respect of which the proxy is to be used; or (b) in any other manner permitted by law.

Exercise of Discretion by Proxies

The Common Shares represented by an appropriate form of proxy will be voted or withheld from voting on any ballot that may be called for at the Meeting, or at any adjournment thereof, in accordance with the instructions of the shareholder of the Corporation contained on the form of proxy and, if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **In the absence of instructions, such Common Shares will be voted in favour of each of the matters described in the Notice of Meeting.**

The enclosed form of proxy, when properly completed and signed, confers discretionary authority upon the persons named therein to vote on any amendments to or variations of the matters described in the Notice of Meeting and on other matters, if any, which may properly be brought before the Meeting or any adjournment thereof. At the date hereof, management of the Corporation knows of no such amendments or variations or other matters to be brought before the Meeting. However, if any other matter which is not now known to management of the Corporation should properly be brought before the Meeting, or any adjournment thereof, the Common Shares represented by such proxy will be voted on such matter in accordance with the judgment of the person named as proxy thereon.

Signing of Proxy

The form of proxy must be signed by the shareholder of the Corporation or the duly appointed attorney thereof authorized in writing or, if the shareholder of the Corporation is a corporation, by an authorized officer of such corporation. A form of proxy signed by the person acting as attorney of the shareholder of the Corporation or in some other representative capacity, including a director or officer of a corporation which is a shareholder of the Corporation, should indicate the capacity in which such person is signing. A shareholder of the Corporation or his or her attorney may sign the form of proxy or a power of attorney authorizing the creation of a proxy by electronic signature provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such shareholder or by or on behalf of his or her attorney, as the case may be.

Non-Registered Shareholders

Only registered shareholders of the Corporation, or the persons they appoint as their proxy, are entitled to attend and vote at the Meeting. The Common Shares of a non-registered shareholder (a "**Non-Registered Shareholder**") who beneficially owns Common Shares will generally be registered in the name of either:

- a) an intermediary (an "**Intermediary**") with whom the Non-Registered Shareholder deals in respect of the Common Shares (including, among others, banks, trust companies, securities dealers or brokers, trustees or administrators of a self-administered registered retirement savings plan, registered retirement income fund, registered education savings plan and similar plans); or
- b) a clearing agency (such as CDS Clearing and Depository Services Inc. or The Depository Trust Company) of which the Intermediary is a participant.

There are two kinds of beneficial owners: objecting beneficial owners who object to their name being made known to issuers of securities which they own ("**OBOs**") and non-objecting beneficial owners who do not object to their name being made known to the issuers of securities which they own ("**NOBOs**"). Issuers can request and obtain a list of their NOBOs from Intermediaries via their transfer agents pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators ("**NI 54-101**") and issuers can use this list to distribute proxy-related materials directly to its NOBOs. The Corporation has decided to take advantage of the provisions of NI 54-101 that allow it to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive the notice required pursuant to the Notice-and-Access Provisions and a voting instruction form from the Corporation's transfer agent, Odyssey Trust Company.

With respect to OBOs, in accordance with the requirements of NI 54-101, the Corporation has sent the notice required pursuant to the Notice-and-Access Provisions and, if applicable, copies of the other proxy-related materials to the Intermediaries for onward distribution to Non-Registered Shareholders utilizing the Notice-and-Access Provisions. Intermediaries are required to forward the proxy-related materials to Non-Registered Shareholders unless the Non-Registered Shareholders have waived the right to receive them. Intermediaries often use service companies to forward proxy-related materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive proxy-related materials will be given either:

- a) a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label with a bar-code and other information. In order for the voting instruction form to validly constitute a form of proxy, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or
- b) a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with Odyssey Trust Company, 1100-67 Yonge Street, Toronto, Ontario, M5E 1J8.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives either a voting instruction form or a form of proxy wish to attend the Meeting and vote in person (or have another

person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the names of the persons named in the form of proxy and insert the Non-Registered Shareholder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the directions indicated on the form. **Non-Registered Shareholders should carefully follow the instructions of their Intermediaries and their service companies, including those instructions regarding when and where the voting instruction form or the form of proxy is to be delivered.**

A Non-Registered Shareholder who has submitted a voting instruction form or form of proxy may revoke it by contacting the Intermediary through which the Common Shares of such Non-Registered Shareholder are held and following the instructions of the Intermediary respecting the revocation of proxies.

NOTICE AND ACCESS

"**Notice-and-Access Provisions**" means provisions concerning the delivery of proxy-related materials to Shareholders found in section 9.1.1 of National Instrument 51-102 - *Continuous Disclosure Obligations* ("**NI 51-102**"), in the case of registered shareholders, and section 2.7.1 of NI 54-101, in the case of Non-Registered Shareholders, which allow an issuer to deliver an information circular forming part of proxy-related materials to shareholders via certain specified electronic means provided that the conditions of NI 51-102 and NI 54-101 are met.

The Notice-and-Access Provisions are a mechanism which allows reporting issuers, other than investment funds, to choose to deliver proxy-related materials to registered holders and beneficial owners of securities by posting such materials on a non-SEDAR+ website (usually the reporting issuer's website and sometimes the transfer agent's website) rather than delivering such materials by mail. The Notice-and-Access Provisions can be used to deliver materials for both annual meetings and special meetings. Reporting issuers may still choose to continue to deliver such materials by mail, and beneficial owners will be entitled to request delivery of a paper copy of the information circular at the reporting issuer's expense.

The use of the Notice-and-Access Provisions reduces paper waste and mailing costs to the Corporation. In order for the Corporation to utilize the Notice-and-Access Provisions to deliver proxy-related materials by posting the Circular (and, if applicable, other materials) electronically on a website that is not SEDAR+, the Corporation must send a notice to shareholders, including Non-Registered Shareholders, providing basic information about the Meeting and the matters to be voted on, indicating that the proxy-related materials have been posted and explaining how a shareholder can access them or obtain, from the Corporation, a paper copy of those materials. This Circular has been posted in full on the Corporation's website at www.1911gold.com/investors/agm-materials/ and under the Corporation's SEDAR+ profile at www.sedarplus.ca.

In order to use the Notice-and-Access Provisions, a reporting issuer must set the record date for notice of the meeting to be on a date that is at least 40 days prior to the meeting in order to ensure there is sufficient time for the materials to be posted on the applicable website and other materials to be delivered to shareholders..

The Corporation will not rely upon the use of 'stratification'.

The Corporation will send proxy-related materials directly to NOBOs through the services of its registrar and transfer agent, Odyssey Trust Company. The Corporation intends to pay for Intermediaries to deliver to OBOs the proxy-related materials and Form 54-101F7 - *Request for Voting Instructions Made by Intermediary* of NI 54-101.

Any shareholder who wishes to receive a paper copy of this Circular must contact the Corporation's transfer agent, Odyssey Trust Company, at <https://odysseytrust.com/ca-en/help/> or by phone at 1-888-290-1175 (toll-

free within North America) or 1-587-885-0960 (direct from outside North America), up to the date of the Meeting or any adjournment thereof, or thereafter by contacting the Corporation at 604-900-5620. Requests for paper copies must be received by June 4, 2026 in order to receive the paper copy in advance of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The directors of the Corporation have fixed May 4, 2026 as the record date for the determination of the shareholders of the Corporation entitled to receive notice of the Meeting. Shareholders of the Corporation of record at the close of business on May 4, 2026 will be entitled to vote at the Meeting and at all adjournments thereof.

As at May 4, 2026, there were 310,132,625 Common Shares outstanding. Each Common Share entitles the holder of record thereof to one vote at the Meeting.

Corporate Cease Trade Orders, Bankruptcies, Penalties or Sanctions

Other than as noted below, none of the persons proposed to be nominated for election as a director of the Corporation is, as at the date hereof, or has been, within the ten years prior to the date hereof, a director, chief executive officer or chief financial officer of any company that was subject to a cease trade order, an order similar to a cease trade order or an order that denied such company access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days and that was issued while that person was acting in such capacity or that was issued after that person ceased to act in such capacity and which resulted from an event that occurred while that person was acting in such capacity.

Other than as noted below, none of the persons proposed to be nominated for election as a director of the Corporation is, as at the date hereof, or has been, within the ten years prior to the date hereof, a director or executive officer of any company that, while that person was acting in such capacity, or within a year of that person ceasing to act in such capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

None of the persons proposed to be nominated for election as a director of the Corporation has, within the ten years prior to the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets.

None of the persons proposed to be nominated for election as a director of the Corporation has been subject to: (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a person proposed to be nominated for election as a director of the Corporation.

Anna Ladd-Kruger was a director of Nevada Copper Corp. ("**NCU**"). In June 2024, NCU and its subsidiaries filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code in the District of Nevada, which was subsequently recognized in Canada under the *Companies' Creditors Arrangement Act* (the "**Proceedings**"). The Proceedings were subsequently completed in May 2025. On August 20, 2024, the British Columbia Securities Commission issued a Failure-to-File Cease Trade Order in respect of NCU as NCU had not filed certain periodic disclosure documents required under applicable securities law related to the interim period ended June 30, 2024. These documents were not filed in light of the Proceedings. NCU was dissolved on December 15, 2025 and ceased to be a reporting issuer in all jurisdictions of Canada in which it was a reporting issuer. Accordingly, the Failure-to-File Cease Trade Order was revoked on February 2, 2026.

The persons named in the form of proxy accompanying this Circular intend to vote FOR the election of each of the nominees whose names are set forth above, unless the shareholder of the Corporation who has given such proxy has directed that the Common Shares represented by such proxy be withheld from voting in respect of the election of each such nominee. Management of the Corporation does not contemplate that any of the nominees will be unable to serve as a director of the Corporation for the ensuing year, however, if that should occur for any reason at or prior to the Meeting or any adjournment thereof, the persons named in the form of proxy accompanying this Circular have the right to vote for the election of the remaining nominees and may vote for the election of a substitute nominee in their discretion.

III. Appointment of Auditor

It is proposed that Baker Tilly WM LLP ("**Baker Tilly**") be appointed as the auditor of the Corporation to hold office until the close of the next annual meeting of the shareholders of the Corporation and that the board of directors of the Corporation (the "**Board**") be authorized to set the auditor's remuneration. Baker Tilly is currently the auditor of the Corporation and has been the auditor of the Corporation since November 24, 2023.

The persons named in the form of proxy accompanying this Circular intend to vote FOR the appointment of Baker Tilly as the auditor of the Corporation until the close of the next annual meeting of the shareholders of the Corporation or until its successor is appointed and the authorization of the directors of the Corporation to fix the remuneration of Baker Tilly, unless the shareholder of the Corporation who has given such proxy has directed that the Common Shares represented by such proxy be withheld from voting in respect of the appointment of the auditor of the Corporation.

IV. Approval of the Long-Term Incentive Plan

The Corporation maintains a long-term incentive plan (the "**LTIP**"), which is a rolling 10% plan that provides for the grant of incentive stock options ("**Options**"), restricted share units ("**RSUs**") and deferred share units ("**DSUs**") to directors, officers, employees or consultants of the Corporation. The LTIP provides the Corporation with flexibility to grant awards to promote the creation and preservation of long-term value, while avoiding the administrative burden of managing separate plans, and providing greater transparency to shareholders by simplifying the information regarding equity-based compensation. The LTIP was last approved by the shareholders on June 26, 2025.

Pursuant to the policies of the TSX Venture Exchange (the "**TSXV**"), as a rolling plan, the LTIP is required to be approved by the shareholders annually.

The purpose of the LTIP is to align the interests of those directors, officers, employees and consultants designated by the Board as being eligible to participate in the LTIP with those of the Corporation and its shareholders and to assist in attracting, retaining and motivating key employees by making a portion of the incentive compensation of participating employees directly dependent upon the achievement of key strategic, financial and operational objectives that are critical to ongoing growth and increasing the long-term value of the Corporation. In particular, the LTIP is designed to promote the long-term success of the Corporation and the creation of shareholder value by: (a) encouraging the attraction and retention of directors, officers, key employees and consultants of the Corporation; (b) encouraging such directors, officers, key employees and consultants to focus on critical long-term objectives; and (c) promoting greater alignment of the interests of such directors, officers, key employees and consultants with the interests of the Corporation.

Grants under the LTIP will be available to directors, officers, key employees and consultants of the Corporation, as determined by the Board. The aggregate number of Shares issuable pursuant to awards under the LTIP shall

not exceed 10% of the current issued and outstanding Common Shares as at the date of grant, or 31,013,262 as of the date hereof.

The following is a summary of the key provisions of LTIP. The following summary is qualified in all respects by the full text of the LTIP, a copy of which is attached hereto as Schedule "A". Reference should be made to the LTIP for the complete provisions thereof. All capitalized terms used below and not otherwise defined have the meaning ascribed to such terms in the LTIP.

3. the total number of Shares issuable under the LTIP in respect of all Awards granted or issued in any 12-month period to any one Participant shall not exceed five (5%) percent of the issued and outstanding Shares, calculated as at the date any Award is granted or issued to the Participant, unless the Corporation has obtained disinterested shareholder approval;
4. the total number of Shares issuable to any Consultant under the LTIP in respect of all Awards granted or issued in any 12-month period shall not exceed two (2%) percent of the issued and outstanding Shares, calculated as at the date any Award is granted or issued to the Consultant;
5. Investor Relations Service Providers may only receive Options as Awards under the LTIP, and the total number of Options issuable to Participants who are Investor Relations Service Providers in aggregate shall not exceed two (2%) percent of the issued and outstanding Shares in any 12-month period;
6. no RSU may vest before the date that is one (1) year following the date it is granted or issued, unless a Participant dies or ceases to be an eligible Participant under the LTIP in connection with a Change of Control, take-over bid, reverse take-over or other similar transaction;
7. all Options granted to any Investor Relations Service Provider will vest and become exercisable in stages over a period of not less than twelve (12) months, with no more than one-quarter (1/4) of such Options vesting and becoming exercisable in any three (3) month period; and
8. the term of any Options granted under the LTIP must not exceed ten years.

Shareholders are encouraged to review the full text of the LTIP.

At the Meeting, shareholders of the Corporation will be asked to consider and, if deemed advisable, to pass, with or without variation, the following ordinary resolution confirming and approving the LTIP (the "**LTIP Resolution**"):

"BE IT RESOLVED THAT:

1. the long-term incentive plan of the Corporation (the "**LTIP**") attached as Schedule "A" to the management information circular of the Corporation dated May 4, 2026 be, and is hereby, confirmed and approved as the long-term incentive plan of the Corporation until the next annual meeting of the shareholders of the Corporation;

2. the LTIP may be amended by the Board in order to satisfy the requirements or requests of any regulatory authorities or stock exchange without requiring further approval of the shareholders of the Corporation;
3. any one officer or any one director of the Corporation be, and each of them hereby is, authorized and empowered, acting for, in the name of and on behalf of the Corporation, to execute or to cause to be executed, under the seal of the Corporation or otherwise, and to deliver or to cause to be delivered, all such agreements, instruments, certificates, undertakings and other documents, and to do or to cause to be done all such other acts and things, as any one of them shall consider necessary or desirable to give effect to the intent of this resolution; and
4. notwithstanding that this resolution has been passed by the shareholders of the Corporation, the adoption of the proposed LTIP is conditional upon receipt of final approval from the TSX Venture Exchange and the directors of the Corporation are hereby authorized and empowered to revoke this resolution, without any further approval of the shareholders of the Corporation, at any time if such revocation is considered necessary or desirable by the directors.

In order to be passed, the LTIP Resolution requires the approval of a majority of the votes cast thereon by shareholders of the Corporation present in person or represented by proxy at the Meeting. The directors of the Corporation unanimously recommend that shareholders vote in favour of the LTIP Resolution. **The persons named in the form of proxy accompanying this Circular intend to vote FOR the LTIP Resolution, unless the shareholder of the Corporation who has given such proxy has directed that the Common Shares represented by such proxy be voted against the LTIP Resolution.**

Oversight and Description of Director and Named Executive Officer Compensation

The Corporation has a Corporate Governance, Nominating and Compensation Committee, currently consisting of Mike Hoffman (Chair), Anna Ladd-Kruger and Blair Schultz (the "**Compensation Committee**"). The Board relies on the recommendations of the Compensation Committee to ensure that the Corporation is compensating its NEOs fairly and competitively as well as attracting and retaining qualified individuals to support the Corporation in meeting its business objectives. All of the members of the Compensation Committee are considered independent of the Corporation for the purposes of National Instrument 52-110 – *Audit Committees*. Moreover, the members of the Compensation Committee each have the skills and experience necessary to make decisions on executive compensation and the Corporation's compensation policies and practices which have been derived through each member's experience and involvement in senior management positions for reporting issuers in the mineral exploration and development industry. As well, the Compensation Committee retains independent consultants from time to time to provide analysis, recommendations and benchmarks, having regard to the total compensation levels among comparable companies.

The Compensation Committee's primary responsibilities, among other things, include:

- reviewing and making recommendations to the Board with respect to the compensation policies and practices of the Corporation;

- reviewing and recommending to the Board for approval the remuneration of the NEOs of the Corporation, namely, the Chief Executive Officer (the "CEO"), the Chief Financial Officer, any Vice-President and any other employee of the Corporation having a comparable position as may be specified by the Board (collectively, the "**Senior Executives**"), with such review being carried out in consultation with the CEO, other than the remuneration of the CEO;
- reviewing and approving executive employment contracts including provisions for termination or change of control and ensuring consistency with best governance practices;
- reviewing the goals and objectives of the CEO for the next financial year of the Corporation and providing an appraisal of the performance of the CEO following the completion of each financial year;
- meeting with the CEO on at least an annual basis to discuss goals and objectives for the other Senior Executives, their compensation and performance;
- reviewing and making a recommendation to the Board on the hiring or termination of any Senior Executive or on any special employment contract containing, or including, any retiring allowance or any agreement to take effect, or to provide for the payment of benefits, in the event of a termination or change of control of the Corporation affecting, a Senior Executive or any amendment to any such contract or agreement;
- making, on an annual basis, a recommendation to the Board as to any incentive award to be made to the Senior Executives under any incentive plan or under any employment contract of a Senior Executive;
- comparing the total remuneration (including benefits) and the main components thereof of the Senior Executives with the remuneration of peers in the same industry;
- identifying any risks associated with the compensation policies and practices of the Corporation that are reasonably likely to have a material adverse effect on the Corporation, considering the implications of any such risks and, to the extent deemed necessary by the Committee, establishing practices to identify and mitigate compensation policies and practices that could encourage Senior Executives to take inappropriate or excessive risks;
- reviewing and making a recommendation to the Board with respect to the remuneration of directors; and
- reviewing and making a recommendation to the Board with respect to, any share ownership guidelines applicable to the Senior Executives and the directors and reviewing the shareholdings of the Senior Executives and directors based on such guidelines established from time to time.

The role of the Compensation Committee is to assist the Corporation in identifying and recommending new nominees for election to the Board and to assist the Board in setting director and senior officer compensation and to develop and submit to the Board recommendations with respect to other employee benefits considered advisable. The Compensation Committee believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Corporation as a whole. The primary components of the Corporation's executive compensation are base salary, cash bonus (short-term incentive) and long-term incentives (including Options, RSUs and DSUs). The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation

to the interests of the shareholders of the Corporation. The following principles form the basis of the Corporation's executive compensation program:

- align the interests of executives and shareholders of the Corporation;
- attract and retain highly qualified executive officers;
- provide incentive to the executives to continuously improve operations and execute on corporate strategy; and
- ensure competitive compensation that is also financially responsible.

The annual cash fee payable to each non-executive Director is \$40,000, payable monthly, and the Executive Chair receives an annual fee of \$160,000, payable monthly. In addition to this fee, each non-executive director receives 100,000 DSUs annually and the Executive Chair receives 200,000 DSUs annually, in each case, distributed quarterly. The Audit Committee Chair receives an annual fee, payable monthly, of \$7,500, and the Chair of each of the remaining Committees receives an annual fee, payable monthly, of \$5,000. In addition, an annual fee of \$3,000, payable monthly, is paid for acting as a member of a Committee. Shaun Heinrichs, the current President and Chief Executive Officer of the Corporation, does not receive any additional compensation for acting as a director.

Compensation Strategy

The Corporation's general philosophy is that compensation for NEOs should be a mix of fixed compensation, short-term incentive compensation and long-term incentive compensation. Fixed compensation in the form of base salary is designed to provide income certainty and to attract and retain executives, and is therefore based on the assessment of a number of factors such as current competitive market conditions, compensation levels within similarly situated companies to the Corporation and factors particular to the executive, including individual performance, the scope of the executive's role with the Corporation and retention considerations. The Compensation Committee considers available market data for companies in comparable industries and of a similar size, although a specific benchmark is not targeted and a formal peer group has not been established.

For the 2025 calendar year, the Compensation Committee created a formal peer group of 17 companies of similar market capitalization and stage of development in order to determine appropriate compensation levels and compensation components. This list of companies for comparison will be used moving forward for compensation comparisons and for reviewing the Corporation's share price performance relative to the industry. Over time, new companies will be added to this comparative list as needed to maintain a representative group of comparatives.

The companies in this group include:

<ul style="list-style-type: none">• International Tower Hill Mines Ltd.• First Mining Gold Corp.• Amex Exploration Inc.• Liberty Gold Corp.• STLLR Gold Inc.• Integra Resources Corp.• Fury Gold Mines Limited• West Red Lake Gold Mines Ltd.• Integra Resources Corp.	<ul style="list-style-type: none">• Talisker Resources Ltd.• Falco Resources Ltd.• Troilus Gold Corp.• Northern Superior Resources Inc.• Banyan Gold Corp.• Wallbridge Mining Company Limited• NexGold Mining Corp.• Galway Metals Inc.
--	--

In addition to the comparative survey, the Compensation Committee reviewed the most recent surveys

relevant to the Corporation including the Bedford Group 2025 Mining Survey as they relate to the compensation of the NEOs. These surveys were not relevant to all of the NEOs, but important contributing data provided input in evaluating the overall compensation program of the Corporation.

The Compensation Committee further previously engaged the services of Siel Human Solutions in 2022 to assist in benchmarking the data gathered, review the surveys, and compare these with the overall compensation program of the Corporation.

Set forth below is a table that describes the elements of NEO compensation:

Element	Description	Objectives
Base Salary	Base salary is determined through an analysis of a comparator group for similar positions. It reflects the capability of the executive as demonstrated over an extended time period.	Attraction, retention and motivation; and annual salary adjustments as appropriate.
Annual Cash Bonus – Short Term Incentives	Annual cash incentive bonus is a portion of variable compensation that is designed to reward executives on an annual basis for achievement of corporate and business objectives, relative to corporate and individual performance.	Pay for performance; align with business strategy; and attraction, retention and motivation.
Options, RSUs & DSUs – Long-Term Incentives	Equity compensation is a portion of variable compensation that is designed to align executive and shareholder interests, focus executives on long-term value creation, and also support the retention of key executives.	Align to shareholder interests; pay for performance; and attraction, retention and motivation.
Benefits	Executives who are employees participate in standard corporate medical, extended health and dental insurance.	Attraction and retention.

Base Salary

Base salaries of the Corporation's NEOs are based on an assessment of factors such as current competitive market conditions, compensation levels within the comparator group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual.

Base salaries are reviewed at the end of each calendar year. The CEO recommends base salary adjustments to the Compensation Committee for the NEOs, other than himself. The Compensation Committee determines the base salary adjustment for the CEO taking into consideration the performance of the CEO, market conditions and the Corporation's ability to pay.

Short-Term Incentives

The short-term incentive program is a variable element of compensation and consists of an annual cash bonus. Annual bonuses are not pre-established and may be awarded at the sole discretion of the Board, based on recommendations of the Compensation Committee, for individual achievements, contributions or efforts that the Compensation Committee has determined can reasonably be expected to have a positive impact on shareholder value.

Achieving predetermined individual and corporate targets and objectives, as well as general performance in daily corporate activities, will trigger the award of a bonus payment to the NEOs. The NEOs will receive a partial

or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board. The Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

During the financial year ended December 31, 2025, annual incentive payments were determined with consideration of performance in the following areas at either the corporate or individual level:

- Health, safety and environment compliance;
- Share price performance;
- Operational performance metrics (production, budget compliance);
- Exploration results (target generation, development);
- Strategic planning; and
- Corporate development.

Long-Term Incentives

Long-term incentive compensation has historically been provided through the granting of Options, RSUs and DSUs. The Corporation has the LTIP in effect in order to provide effective incentives to directors, officers, senior management personnel and employees of the Corporation and to enable the Corporation to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Corporation's shareholders. The Corporation has no equity incentive plans other than the LTIP. The size of Option grants, RSU grants and DSU grants, if any, to NEOs is dependent on each officer's level of responsibility, authority and importance to the Corporation and the degree to which such officer's long-term contribution to the Corporation will be crucial to its long-term success. Previous grants are taken into account when considering new grants. A summary of the LTIP is set out under the heading "*Business of the Meeting – Approval of the Long-Term Incentive Plan*" above, which summary is qualified in all respects by the full text of the LTIP, a copy of which is attached hereto as Schedule "A".

Grants of Options, RSUs and DSUs are based on:

- the performance of the NEO, employee, or consultant;
- the NEO's or employee's level of responsibility within the Corporation;
- the number and exercise price of Options previously issued to the NEO, employee or consultant; and
- the overall aggregate total compensation package provided to the NEO, employee or consultant.

Management makes recommendations to the Compensation Committee and the Board concerning the long-term incentives based on the above criteria. The Options and RSUs are granted on an annual basis in connection with the review of executives' compensation packages. Options, RSUs and / or DSUs may also be granted, at the discretion of the Board, throughout the year, as special recognition for extraordinary performance. The Board will consider previous grants of Options, RSUs and DSUs and the overall number of awards that are outstanding relative to the number of outstanding Common Shares in determining whether to make any new grants and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience and level of commitment of the NEO.

NEOs and directors are not prevented from purchasing financial instruments (including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds) that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Clawback Policy

On July 14, 2020 (the "**Adoption Date**"), the Board adopted a formal written policy (the "**Clawback Policy**"), in accordance with industry best practices and good governance standards, that sets out guidelines to provide for the recoupment of certain incentive compensation paid to certain executive officers of the Corporation ("**Executives**"), in cases of a material restatement of the Corporation's financial statements in certain circumstances as set out below. The Board may delegate to the Compensation Committee all determinations to be made and actions to be taken by the Board under the Clawback Policy.

The Board or the Compensation Committee may require Executives to reimburse, in all appropriate cases as determined by the Board or the Compensation Committee (i) any cash bonuses paid to an executive ("**Cash Compensation**"); and (ii) any stock options, restricted share units, deferred share units and performance share units awarded to an Executive under one or more of the Corporation's incentive compensation plans ("**Share-Based Compensation**", together with the Cash Compensation, the "**Incentive Compensation**"), if: (a) the Corporation is required to restate its financial results (a "**Restatement**") due to material non-compliance with any financial reporting requirement under applicable securities laws; (b) an Executive engaged in fraud or willful misconduct (as admitted by the Executive or, in the absence of such admission, as determined by a court of competent jurisdiction in a final judgment that cannot be appealed) which caused or significantly contributed to the material non-compliance that resulted in the Restatement; and (c) the amount of Incentive Compensation awarded or paid to the Executive in respect of the year to which the Restatement pertains ("**Actual Compensation**") would have been lower had it been calculated based on the restated financial results ("**Revised Compensation**"). The Board may, in its discretion, seek to recover from the Executive all or a portion of the after-tax difference between the Actual Compensation and the Revised Compensation where the Corporation has determined that the Restatement is required.

In the event the difference between Actual Compensation and Revised Compensation relates to Share-Based Compensation and the Share-Based Compensation initially awarded has not been exercised (in the case of stock options) or vested (in the case of restricted share units or deferred share units), the Board may cancel or adjust the number of options, restricted share units or deferred share units awarded in the year to which the Restatement pertains to address such difference.

The Clawback Policy is only applicable to Incentive Compensation paid or awarded after the Adoption Date and any Incentive Compensation paid or awarded prior to the Adoption Date is not subject to the Clawback Policy.

The estimated incremental payments, payables and benefits to Mr. Heinrichs in the event of termination of his employment without cause, as if such event occurred on the last business day of the Corporation's most recently completed financial year, is \$450,000 and, in the event of a change of control is \$1,440,000.

In addition, pursuant to Mr. Heinrichs' employment agreement, Mr. Heinrichs has agreed that he will not, during his employment and for twelve months following the cessation of his employment with the Corporation, directly or indirectly, on his own behalf or on behalf of any other person, hire, solicit or induce any person who is, or was within six months prior to any attempted hiring, solicitation or inducement, employed or engaged by the Corporation, an Affiliate or a Related Entity (as defined in Mr. Heinrichs' employment agreement) to leave such employment or engagement or enter into employment or engagement with any other person or entity.

Assessments

The directors of the Corporation, together with the Corporate Governance, Nominating and Compensation Committee, facilitate assessments of the performance of the Board, its committees and individual directors in accordance with the requirements set out in its Committee Charter. The Board has a formal assessment questionnaire that each director responds to on an anonymous basis. The assessment looks at the following aspects: board and governance; meetings; strategy; operation of the Board; cybersecurity; management; and director self-assessment. In addition, the assessment looks at each director with respect to expertise, education, demographic, years of wisdom (age), and years of experience in the industry. No assessment was completed in 2025. The results of the 2024 survey identified that the Board has a diverse background in terms of technical and financial expertise, has a wide range of people with different ages and experience levels, and includes one woman. The Board would also like to add more diversity to the Board and will look for potential candidates who may supplement the existing Board with these skills if the Board decides to expand. The results of such formal assessment are tabulated by an independent source and then sent to the Chair of the Corporate Governance, Nominating and Compensation Committee who completes a report on this basis.

- (ii) Notwithstanding anything herein to the contrary, any Shares related to Awards which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such Shares, or are exchanged with the Board's permission, prior to the issuance of Shares, for Awards not involving Shares, shall be available again for granting Awards under this Plan.
- (c) **ANTI-DILUTION.** If the number of outstanding Shares is increased or decreased as a result of a stock split, consolidation or recapitalization and not as a result of the issuance of Shares for additional consideration or by way of stock dividend, the Board may make appropriate adjustments to the number and price (or other basis upon which an Award is measured) of RSUs, DSUs, and/or Options credited to a Participant. Any adjustment, other than in connection with a security consolidation or security split, to an Award granted or issued under a Security Based Compensation Arrangement must be subject to the prior acceptance of the Exchange, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization. Any determinations by the Board as to the required adjustments shall be made in its sole discretion and all such adjustments shall be conclusive and binding for all purposes under this Plan.
- (d) **FORMER PLANS.** From and after the Effective Date, all prior long-term incentive plans of the Company shall be cancelled and deemed to be cancelled, and all awards granted thereunder shall be governed and deemed to be governed by the provisions of this Plan as existing Awards governed by the terms of this Plan.
- (e) **ELIGIBILITY AND PARTICIPATION.** For all Awards granted or issued to Participants, both the Company and the Participant are responsible for ensuring and confirming that the Participant is a *bona fide* Director, Key Employee, Consultant or Management Company Employee, as the case may be, at the time of such grant.

The number of RSUs to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with this Plan. Each RSU shall, contingent upon the lapse of any restrictions, represent one (1) Share. The number of RSUs granted pursuant to an Award and the Restriction Period in respect of such RSUs shall be specified in the applicable Award Agreement.
- (ii) **RESTRICTIONS.** RSUs shall be subject to such restrictions as the Board, in its sole discretion, may establish in the applicable Award Agreement, which restrictions may lapse separately or in combination at such time or times and on such terms, conditions and satisfaction of objectives as the Board may, in its discretion, determine at the time an Award is granted.

Any RSUs vested in such Participant, including those vested after the Participant's death pursuant to the exercise of the Board's discretion, will accrue to the Participant's estate in accordance with Section 5(a)(x) hereof, provided that the Participant's estate makes a claim for such vested RSUs within 12 months of the date of death.

- A. Where, in the case of a Key Employee, a Participant's employment is terminated by the Company or a Subsidiary for cause, all RSUs granted to the Participant under this Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date.
- B. Where, in the case of a Key Employee, a Participant's employment terminates by reason of termination by the Company or a Subsidiary without cause, by voluntary termination or due to Retirement by the Participant, all RSUs granted to the Participant under this Plan that have not vested will, unless the applicable Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date, provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination without cause, voluntary termination or Retirement, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant in accordance with Section 5(a)(x) hereof.
- C. Upon termination of a Participant's employment with the Company or a Subsidiary, the Participant's eligibility to receive further grants of Awards of RSUs under this Plan shall cease as of the Termination Date.

- (ix) **TERMINATION OF SERVICE.** Where, in the case of Consultants, a Participant's service to the Company terminates for any reason, subject to the applicable Award Agreement and any other

contractual commitments between the Participant and the Company, any RSUs granted to the Participant under this Plan that have not yet vested will be forfeited and cancelled and shall be of no further force or effect as of the date of termination of service, provided, however, that any RSUs granted to such Participant which, prior to the termination of the Participant's service to the Company for any reason, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant in accordance with Section 5(a)(x) hereof.

- (x) **PAYMENT OF AWARD.** As soon as practicable after each Vesting Date of an Award of RSUs, the Company shall issue from treasury to the Participant, or if Section 5(a)(v) applies, to the Participant's estate, a number of Shares equal to the number of RSUs credited to the Participant's Account that become payable on the Vesting Date. As of the Vesting Date, the RSUs in respect of which such Shares are issued shall be cancelled and no further payments shall be made to the Participant under this Plan in relation to such RSUs.

The number of DSUs to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with this Plan. The number of DSUs granted pursuant to an Award and the Restriction Period in respect of such RSUs shall be specified in the applicable Award Agreement.
- (ii) **RESTRICTIONS.** DSUs shall be subject to such restrictions as the Board, in its sole discretion, may establish in the applicable Award Agreement, which restrictions may lapse separately or in combination at such time or times and on such terms, conditions and satisfaction of objectives as the Board may, in its discretion, determine at the time an Award is granted.
- (iii) **CHANGE OF CONTROL.** In the event of a Change of Control, all restrictions upon any DSUs shall lapse immediately and all such DSUs shall accrue to the Participant in accordance with Section 5(b)(v) hereof.
- (iv) **CESSATION OF DIRECTORSHIP.** Where, in the case of Directors, a Participant ceases to be a Director for any reason, any DSUs granted to the Participant under this Plan that have not yet vested will, unless the applicable Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the date the Participant ceases to be a Director, provided, however, that any DSUs granted to such Participant which, prior to the Participant ceasing to be a Director for any reason, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant in accordance with Section 5(b)(v) hereof.
- (v) **PAYMENT OF AWARD.** Each Participant shall be entitled to receive, after the effective date that the Participant ceases to be a Director, or any earlier vesting period(s) as may be set forth in the applicable Award Agreement, on a day designated by the Participant and communicated to the Company by the Participant in writing at least 15 days prior to the designated day (or such earlier date as the Participant and the Company may agree, which date shall be no later than the end of the calendar year following the year in which the Participant ceases to be a Director, or any earlier period on which the DSUs vested, as the case may be) and if no such notice is given, then on the first anniversary of the effective date that the Participant ceases to be a Director, or any earlier period on which the DSUs vested, as the case may be, at the sole discretion of the Board, either:

In no event shall the value of the DSUs or cash payment be lower than the Discounted Market Price.

- (vi) **DEATH.** Upon death of a Participant, the Participant's estate shall be entitled to receive, within 120 days after the Participant's death and at the sole discretion of the Board, a cash payment or Shares that would have otherwise been payable in accordance with Section 5(b)(iv) hereof to the Participant upon such Participant ceasing to be Director or officer.

Certificates for such Shares shall be issued and delivered to the optionee within a reasonable time following the receipt of such notice and payment.  - C. Where, in the case of Key Employees, a Participant becomes afflicted by a Disability, all Options granted to the Participant under this Plan will continue to vest in accordance with the terms of such Options. Where, in the case of Key Employees, a Participant's employment is terminated due to Disability, subject to the applicable Award Agreement, any Option held by such Participant shall remain exercisable for a period of 120 days after the Termination Date or prior to the expiration of the option period in respect of the Option, whichever is sooner, and then only to the extent that such Participant was entitled to exercise the Option at the Termination Date.
- (x) **CESSATION OF DIRECTORSHIP.** Where, in the case of Directors, a Participant ceases to be a Director for any reason, subject to the applicable Award Agreement and the provisions below, any Option held by such Participant at such time shall remain exercisable in full at any time, and in part from time to time, for a period of 60 days after the date the Participant ceases to be a director or prior to the expiration of the Option in respect of the Option, whichever is sooner, and then only to the extent that such Participant was entitled to exercise the Option at the date the Participant ceased to be a director. Where, in the case of Directors, a Participant becomes afflicted by a Disability, all Options granted to the Participant under this Plan will continue to vest in accordance with the terms of such Options, provided that if a Participant ceases to be a Director due to Disability, subject to the applicable Award Agreement, any Option held by such Participant

Awards granted in addition to or in tandem with other Awards, or in addition to or in tandem with awards granted under any other Security-Based Compensation Arrangement of the Company, may be granted either at the same time as or at a different time from the grant of such other Awards or awards.
- (iv) **NON-TRANSFERABILITY OF AWARDS.** Except as otherwise provided for in this Plan, no Award and no right under any such Award, shall be assignable, alienable, saleable, or transferable by a Participant. No Award and no right under any such Award, may be pledged, alienated, attached, or otherwise encumbered, and any purported pledge, alienation, attachment, or encumbrance thereof shall be void and unenforceable against the Company.

- (vii) **CONFORMITY TO PLAN.** In the event that an Award is granted which does not conform in all particulars with the provisions of this Plan, or purports to grant an Award on terms different from those set out in this Plan, the Award shall not be in any way void or invalidated, but the Award shall be adjusted by the Board to become, in all respects, in conformity with this Plan.

SECTION 6. AMENDMENT AND TERMINATION

- (a) **DIRECTOR AND SHAREHOLDER APPROVAL OF PLAN.** This Plan must be approved by a majority of the Company's directors at the time it is implemented and at the time of any amendment. This Plan must also be approved by the Company's Shareholders at the time it is implemented and upon any changes to the total number of Shares issuable under the Plan. Any Awards granted under this Plan prior to receipt of Shareholder approval will not be exercisable or binding on the Company unless and until such approvals are obtained.
- (b) **AMENDMENTS AND TERMINATION OF THIS PLAN.** The Board may at any time or from time to time, in its sole and absolute discretion and without the approval of shareholders of the Company, amend, suspend, terminate or discontinue this Plan and may amend the terms and conditions of any Awards granted hereunder, subject to (a) any required approval of any applicable regulatory authority or the Exchange, and (b) any approval of shareholders of the Company as required by the rules of the Exchange or applicable law. Notwithstanding the foregoing, shareholder approval shall not be required for the following amendments and the Board may make any changes which may include but are not limited to:

- (c) **AMENDMENTS TO AWARDS.** The Board may waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue, or terminate, any Awards theretofore granted, prospectively or retroactively, subject to (a) any required approval of any applicable regulatory authority or the Exchange, and (b) any approval of shareholders of the Company as required by the rules of the Exchange or applicable law. No such amendment or alteration shall be made which would impair the rights of any Participant, without such Participant's consent, under any Award theretofore granted, provided that no such consent shall be required with respect to any amendment or alteration if the Board determines in its sole discretion that such amendment or alteration either (i) is required or advisable in order for the Company, this Plan or the Award to satisfy or conform to any law or regulation or to meet the requirements of any accounting standard, or (ii) is not reasonably likely to significantly diminish the benefits provided under such Award.

SECTION 7. GENERAL PROVISIONS

- (a) **NO RIGHTS TO AWARDS.** No Director, Key Employee, Consultant or other Person shall have any claim to be granted any Award under this Plan, or, having been selected to receive an Award under this Plan, to be selected to receive a future Award, and further there is no obligation for uniformity of treatment of Directors, Key Employees, Consultant or holders or beneficiaries of Awards under this Plan. The terms and conditions of Awards need not be the same with respect to each recipient.
- (b) **WITHHOLDING.** Subject to compliance with Policy 4.4 of the Exchange, the Company shall be authorized to withhold from any Award granted or any payment due or transfer made under any Award or under this Plan the amount (in cash, Shares, other securities, or other Awards) of withholding taxes due in respect of an Award, its exercise, or any payment or transfer under such Award or under this Plan and to take such other action as may be necessary in the opinion of the Company to satisfy statutory withholding obligations for the payment of such taxes. Without in any way limiting the generality of the foregoing, whenever cash is to be paid on the redemption, exercise or vesting of an Award, the Company shall have the right to deduct from all cash payments made to a Participant any taxes required by law to be withheld with respect to such payments. Whenever Shares are to be delivered on the redemption, exercise or vesting of an Award, the Company shall have the right to deduct from any other amounts payable to the Participant any taxes required by law to be withheld with respect to such delivery of Shares, or if any payment due to the Participant is not sufficient to satisfy the withholding obligation, to require the Participant to remit to the Company in cash an amount sufficient to satisfy any taxes required by law to be withheld. At the sole discretion of the Board, a Participant may be permitted to satisfy the foregoing requirement by:
 - (i) electing to have the Company withhold from delivery Shares having a value equal to the amount of tax required to be withheld, or
 - (ii) delivering (on a form prescribed by the Company) an irrevocable direction to a securities broker approved by the Company to sell all or a portion of the Shares and to deliver to the Company from the sales proceeds an amount sufficient to pay the required withholding taxes.
- (c) **NO LIMIT ON OTHER SECURITY-BASED COMPENSATION ARRANGEMENTS.** Subject to compliance with Policy 4.4 of the Exchange, nothing contained in this Plan shall prevent the Company from adopting or continuing in effect other Security-Based Compensation Arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.
- (d) **NO RIGHT TO EMPLOYMENT.** The grant of an Award shall not constitute an employment contract nor be construed as giving a Participant the right to be retained in the employ of the Company. Further, the Company may at any time dismiss a Participant from employment, free from any liability, or any claim under this Plan, unless otherwise expressly provided in this Plan or in any Award Agreement.
- (e) **NO RIGHT AS SHAREHOLDER.** Neither the Participant nor any representatives of a Participant's estate shall have any rights whatsoever as shareholders in respect of any Shares covered by such Participant's Award, until the date of issuance of a share certificate to such Participant or representatives of a Participant's estate for such Shares.
- (f) **GOVERNING LAW.** This Plan and all of the rights and obligations arising herefrom shall be interpreted and applied in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.
- (g) **SEVERABILITY.** If any provision of this Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction, or as to any Person or Award, or would disqualify this Plan or any Award under any law deemed applicable by the Board, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in

the determination of the Board, materially altering the intent of this Plan or the Award, such provision shall be stricken as to such jurisdiction, Person, or Award, and the remainder of this Plan and any such Award shall remain in full force and effect.

- (h) **NO TRUST OR FUND CREATED.** Neither this Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right of any unsecured creditor of the Company.
- (i) **NO FRACTIONAL SHARES.** No fractional Shares shall be issued or delivered pursuant to this Plan or any Award, and the Board shall determine whether cash, or other securities shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be cancelled, terminated, or otherwise eliminated.
- (j) **HEADINGS.** Headings are given to the Sections and subsections of this Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of this Plan or any provision thereof.
- (k) **NO REPRESENTATION OR WARRANTY.** The Company makes no representation or warranty as to the value of any Award granted pursuant to this Plan or as to the future value of any Shares issued pursuant to any Award.
- (l) **NO REPRESENTATIONS OR COVENANTS WITH RESPECT TO TAX QUALIFICATION.** Although the Company may, in its discretion, endeavor to (i) qualify an Award for favourable Canadian tax treatment or (ii) avoid adverse tax treatment, the Company makes no representation to that effect and expressly disavows any covenant to maintain favorable or avoid unfavorable tax treatment. The Company shall be unconstrained in its corporate activities without regard to the potential negative tax impact on holders of Awards under this Plan.
- (m) **CONFLICT WITH AWARD AGREEMENT.** In the event of any inconsistency or conflict between the provisions of this Plan and an Award Agreement, the provisions of this Plan shall govern for all purposes.
- (n) **COMPLIANCE WITH LAWS.** The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or stock exchanges on which the Company is listed as may be required. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:
 - (i) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
 - (ii) completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable or at a time when any such registration or qualification is not current, has been suspended or otherwise has ceased to be effective.

The inability or impracticability of the Company to obtain or maintain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

SECTION 8. EFFECTIVE DATE OF THIS PLAN

This Plan shall become effective (the "**Effective Date**") upon the date of approval by the Board, provided that any Awards granted hereunder, shall be subject to approval of this Plan by the shareholders of the Company given by affirmative vote of the majority of the Shares represented at the meeting of the shareholders of the Company at which motion to approve the Plan is presented.
