Position Overview

1911 Gold Corporation is seeking a dependable and safety-focused **Warehouse Technician** to support operations at the True North Mine in Bissett, Manitoba. This role is essential to the safe and efficient receipt, storage, and distribution of materials, tools, and equipment required for underground and surface mining operations. The successful candidate will be organized, detail-oriented, and comfortable working in a fast-paced industrial environment.

Key Responsibilities

Warehouse & Inventory Operations

- Receive, inspect, and record incoming materials, parts, and supplies
- Maintain accurate inventory records using warehouse management systems
- Conduct cycle counts and support inventory reconciliation

Material Handling

- Safely load, unload, and move materials using forklifts, pallet jacks, and other material-handling equipment
- Prepare, stage, and issue materials to mine departments as required

Documentation & Compliance

- Ensure proper labeling, documentation, and traceability of inventory
- Comply with company policies and regulatory requirements, including the handling of hazardous materials

Safety & Housekeeping

- Follow all mine safety standards, procedures, and PPE requirements
- Maintain a clean, organized, and hazard-free warehouse environment

Collaboration & Communication

- Work closely with Purchasing, Maintenance, and Operations teams to support material requests and site requirements
- Report inventory shortages, damages, or quality issues to supervision in a timely manner

Qualifications

- High school diploma or equivalent
- Previous warehouse experience; mining or heavy industrial experience is considered an asset
- Experience operating forklifts and material-handling equipment (certification preferred)
- Basic computer skills and familiarity with inventory systems
- Strong understanding of safety procedures in industrial environments

Physical Requirements

- Ability to lift up to 50 lbs on a regular basis
- Comfortable working in a mining environment with exposure to dust, noise, and varying temperatures
- Ability to stand, walk, and perform manual tasks for extended periods

Preferred Skills & Considerations

- Knowledge of mining equipment, tools, and spare parts
- Experience with computers and inventory management systems
- Strong organizational, communication, and teamwork skills
- **Preference will be given to qualified local and regional candidates**
